When using direct quotations or a paraphrase from a book in your book review, you must cite the author according to the book review format in APA style. This is done by including the name of the author, the year of publication and the page number. You can accomplish this by using a signal phrase that includes the author's last name.

[How to Write a Book Review in the APA Format](#)

For an APA citation journal article from a database, you are not required to include the database information. This is because APA format includes a link to the website or the DOI instead, since database information can change over time. Simply follow the format for an APA citation journal from online as described above.
