new century, Witcover shows us how professional mercenaries -- with little party loyalty and diminished political principles, driven by an insatiable need for money -- are poisoning public life. At the same time, politicians themselves have condoned and even encouraged these developments, responding to the demands of a media-driven age in which the press corps pursues its own quest for celebrity and financial reward. Sharp, revealing, and rich with anecdotes, *No Way to Pick a President* offers a wealth of presidential history, from the role of the vice president's office to campaign funds, television and the electoral college.

Navy SEAL who wants nothing to do with commitment, is forced to protect his neighbor and her unborn baby when her past comes calling. Jack “ Mars ” Marsten lives in an apartment he never made a home. He made the mistake of marrying right out of boot camp to his high school sweetheart. When his wife left him during BUDS training, he vowed never to marry again. No entanglements. Period. Deirdre Anne Tyler is running from her ex-boyfriend who beat her when he found out she was pregnant. She changed her name to Anne Smith and is hiding in an apartment next door to a cranky Navy SEAL who barely says hello. Which is just as well. The fewer people who know her and where she is, the less chance of her ex finding her. Until he does...

legends of the ancient civilization, Ash graduates from the military academy. He is now assigned to the newly established Territory Reform Promotion Office, where he works hard to improve this world ' s living standards. When it is brought to Ash ' s attention that Ajole, the hometown of his co-worker Renge ' s childhood friend, is on the verge of extinction, he decides to embark on a rescue mission. The inspection task force led by Ash and Maika encounters barren fields and skinny villagers. It appears that they have no choice but to break the taboo and use animal manure as compost. To make matters worse, there is news of another threat to the village: the demons known as treants! Can Ash find a way to save the village? This is the fourth chapter of the story about a young boy who sets out to revolutionize

MfM ménage romance from USA Today bestselling author Julia Sykes Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they ' re dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I ' m still their captive, but I ' m no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I ' m starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm? Keywords: MfM ménage,

ticking clock. A teenage girl has gone missing in Los Angeles, a girl from a good family who was duped into drugs and abducted into a sex trafficking ring. Keri is hot on her trail—but the trail is moving fast, with the girl being constantly moved and with her abductors' single, nefarious goal: to cross her over the border with Mexico. In an epic, breathtaking, cat and mouse chase that takes them through the seedy underworld of trafficking, Keri and Ray will be pushed to their limits to save the girl—and her own daughter—before it is all too late. A dark psychological thriller with heart-pounding suspense, *A TRACE OF VICE* is book #3 in a riveting new series—and a beloved new character—that will leave you turning pages late into the night. “A masterpiece of thriller and mystery! The Solar League, humanity's empire, has existed since
mankind reached for the stars. While the humans
considered it the pinnacle of human achievement, for the
subjugated alien races it seemed only to endorse humanity's
worst impulses. But the worst of humanity pales in
comparison to an alien onslaught that is on the verge of
bringing mankind down into death and subjugation.

Thracius "Tracy" Belmanor helps lead the Solar League's desperate defense against this new alien threat while the Empress of the Solar League, Mercedes, tries to keep the League from tearing apart. However, neither is prepared for the questions that need to be answered to save mankind and all of the human and non-human citizens of the League. Is humanity redeemable? Can the League reform into something better? Tracy and Mercedes must ask these questions of themselves and then decide the future of humanity while facing betrayals, ambition, and secrets that may bring about a dark age for the galaxy.
