## **Amazon.com: Customer reviews: Carrion Comfort**

Carrion Comfort is another jaw-dropping horror novel penned by one of my favorite authors, Dan Simmons. This one is quite long, and though there were a few minor instances of

# Get Free Carrion Comfort Simmons Dan Brilliance Audio

tedium, on the whole this was an amazing read. This is a book about revenge.

## **Amazon.com: Customer reviews: Carrion Comfort**

Mr. Simmons takes time to flesh out the major characters. There are a number of unsettling graphic scenes that are not for the faint of heart. 'Carrion Comfort' was published in 1989 and includes terms for African-Americans that were acceptable back then but not today as well as a boatload of truly racist slang terms.

...

"Carrion Comfort is one of the scariest books ever written. Whenever I get asked the question Who's your favorite author? my answer is always Dan Simmons." (James Rollins)

## **Carrion Comfort by Dan Simmons | Audiobook | Audible.com**

While Carrion Comfort is dragged down by its over bloated writing, it's still quite good. Ultimately, the reader must be willing to invest serious time if they want to read this brick of a book, but in my opinion Dan Simmons delivers in this sprawling horror novel. To me, the novel itself isn't nearly as horrifying as the premise.

CARRION COMFORT is one of the three greatest horror novels of the 20th century.

## **Carrion Comfort by Dan Simmons - Books-A-Million**

--Guillermo del Toro "CARRION COMFORT is one of the scariest books ever written. Whenever I get the question asked Who's your favorite author? my answer is always Dan Simmons." --James Rollins "One of the few major reinventions of the vampire concept, on a par with Jack Finney's Invasion of the Body Snatchers, Richard Matheson's I Am Legend, and Stephen King's Salem's Lot.

"CARRION COMFORT is one of the three greatest horror novels of the 20th century. Simple as that." --Stephen King "Epic in scale and scope but intimately disturbing, CARRION COMFORT spans the ages to rewrite history and tug at the very fabric of reality. A nightmarish chronicle of predator and prey that will shatter your world view forever. A true classic."

--Guillermo del Toro "CARRION COMFORT is one of the scariest books ever written. Whenever I get the question asked Who's your favorite author? my answer is always Dan Simmons." --James Rollins "One of the few major reinventions of the vampire concept, on a par with Jack Finney's Invasion of the Body Snatchers, Richard Matheson's I Am Legend, and Stephen King's Salem's Lot. --David Morrell THE PAST... Caught behind the lines of Hitler's Final Solution, Saul Laski is one of the multitudes destined to die in the notorious Chelmno extermination camp. Until he rises to meet his fate and finds himself face to face with an evil far older, and far greater, than the Nazi's themselves... THE PRESENT... Compelled by the encounter to survive at all

costs, so begins a journey that for Saul will span decades and cross continents, plunging into the darkest corners of 20th century history to reveal a secret society of beings who may often exist behind the world's most horrible and violent events. Killing from a distance, and by darkly manipulative proxy, they are people with the psychic ability to 'use' humans: read their minds, subjugate them to their wills, experience through their senses, feed off their emotions, force them to acts of unspeakable aggression. Each year, three of the most powerful of this hidden order meet to discuss their ongoing campaign of induced bloodshed and deliberate destruction. But this reunion, something will go terribly wrong. Saul's quest is about to reach its elusive object, drawing hunter and hunted alike into a struggle that will plumb the depths of mankind's attraction to violence, and determine the future of the world itself...

This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins. It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sun-drenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcise this ancient plague, Mike, Duane, Dale, Harlen, and Kevin

## Get Free Carrion Comfort Simmons Dan Brilliance Audio

must wage a war of blood—against an arcane abomination who owns the night...

A once-respected college professor and novelist, Dale Stewart has sabotaged his career and his marriage -- and now darkness is closing in on him. In the last hours of Halloween he has returned to the dying town of Elm Haven, his boyhood home, where he hopes to find peace in isolation. But moving into a long-deserted farmhouse on the far outskirts of town -- the one-time residence of a strange and brilliant friend who lost his young life in a grisly "accident" back in the terrible summer of 1960 -- is only the latest in his long succession of recent mistakes. Because Dale is not alone here. He has been followed to this house of shadows by private demons who are now twisting his reality into horrifying new forms. And a thick, blanketing early snow is starting to fall ...

"Simmons writes like a hot-rodding angel." –Stephen King An evil legacy comes to life in this classic and ultimately human novel about believable vampires, featuring a brand-new introduction by Dan Simmons. Children of the Night will take you to a place that no one knows—yet all of us fear. In a desolate orphanage in post-Communist Romania, a desperately ill infant is given the wrong blood transfusion—and flourishes rather than dies. For immunologist Kate Neuman, the infant's immune system may hold the key to cure cancer and AIDS. Kate adopts the baby and takes him home to the States. But baby Joshua holds a link to an ancient clan and their legendary leader—Vlad Tsepes, the original Dracula – whose agents kidnap the child. Against impossible odds and vicious enemies— both human and vampire – Kate and her ally, Father Mike O'Rourke, steal into Romania to get her baby back. "A mesmerizing tour through the ghostly, gray

## Get Free Carrion Comfort Simmons Dan Brilliance Audio

tatters of Romania." –Publishers Weekly "Simmons gives a chilling description of post-Ceausescu Romania and neatly ties the vampire legend into political history to create a new and clever twist to the idea of the vampire's craving for blood." –Library Journal "His best novel ever... Toothsome well written." –Kirkus "Brilliant ideas... The most rigorous and interesting scientific rationale for vampirism I've ever seen... You keep turning the pages." –Locus

Jeremy Bremen has a secret. All his life he's been cursed with the ability to read minds. He knows the secret thoughts, fears, and desires of others as if they were his own. For years, his wife, Gail, has served as a shield between Jeremy and the burden of this terrible knowledge. But Gail is dying, her mind ebbing slowly away, leaving him vulnerable to the chaotic flood of thought that threatens to sweep away his sanity. Now Jeremy is on the run--from his mind, from his past, from himself--hoping to find peace in isolation. Instead he witnesses an act of brutality that propels him on a treacherous trek across a dark and dangerous America. From a fantasy theme park to the lair of a killer to a sterile hospital room in St. Louis, he follows a voice that is calling him to witness the stunning mystery at the heart of mortality.

The Trojan War rages at the foot of Olympos Mons on Mars -- observed and influenced from on high by Zeus and his immortal family -- and twenty-first-century professor Thomas Hockenberry is there to play a role in the insidious private wars of vengeful gods and goddesses. On Earth, a small band of the few remaining humans pursues a lost past and devastating truth -- as four sentient machines depart from Jovian space to investigate, perhaps terminate, the potentially catastrophic emissions emanating from a mountaintop miles above the terraformed surface of the Red Planet.

The World Fantasy Award winner by the author of the Hyperion Cantos and Carrion Comfort: An American finds himself encircled by horrors in Calcutta. Praised by Dean Koontz as “the best novel in the genre I can remember,” Song of Kali follows an American magazine editor who journeys to the brutally bleak, poverty-stricken Indian city in search of a manuscript by a mysterious poet—but instead is drawn into an encounter with the cult of Kali, goddess of death. A chilling voyage into the squalor and violence of the human condition, this novel is considered by many to be the best work by the author of The Terror, who has been showered with accolades, including the Bram Stoker Award, the International Horror Guild Award, and the Hugo Award.

Darwin Minor travels a dangerous road. A Vietnam veteran turned reluctant expert on interpreting the wreckage of fatal accidents, Darwin uses science and instinct to unravel the real causes of unnatural disasters. He is very, very good at his job. His latest case promises to be his most challenging yet. A spate of seemingly random high-speed car accidents has struck the highways of southern California. Each seems to have been staged-yet the participants have all died. Why would anyone commit fraud at the cost of his own life? The deeper Darwin digs, the closer he comes to unmasking an international network specializing in intimidation and murder, whose members will do anything to make sure Darwin soon suffers a deadly accident of his own. "A literary thriller like no other...A hard-charging, edge-of-the-seat tale."-Milwaukee Journal Sentinel
