The Tattooed Bad Boy - Chapter One - Wattpad

February 2, 2012. 5. 652. Bad tattoos could mean crazy or wild tattoo designs or simply the wicked ones. Either way, the bad tattoos only grace those who have loads of guts to carry a boldly unconventional design on their body forever. The weird tattoo designs may not have any set theme, but the wearer may customize a traditional or a popular design with his or her unimaginable ideas to give it an eye-popping look.

There's no denying that inking someone without turning it into a tattoo fail requires quite a lot of skill, but if it' so bad that it's actually good, does that mean that your ugly tattoo was made be a professional? When in doubt with the previous question, you can always check the quality of your ink by doing a simple trick - face swap.

Explore the dark subculture of 1950s tattoos! In the early 1950s, when tattoos were the indelible mark of a lowlife, an erudite professor of English—a friend of Gertrude Stein, Thomas Mann, Andre Gide, and Thornton Wilder--abandoned his job to become a tattoo artist (and incidentally a researcher for Alfred Kinsey). Bad Boys and Tough Tattoos tells the story of his years working in a squalid arcade on Chicago’s tough State Street. During that time he left his mark on a hundred thousand people, from youthful sailors who flaunted their tattoos as a rite of manhood to executives who had to hide their passion for well-ornamented flesh. Bad Boys and Tough Tattoos is anything but politically correct. The gritty, film-noir details of Skid Row life are rendered with unflinching honesty and furtive tenderness. His lascivious relish for the young sailors swaggering or staggering in for a new tattoo does not blind him to the sordidness of the world they inhabited. From studly nineteen-year-olds who traded blow jobs for tattoos to hard-bitten dykes who scared the sailors out of the shop, the clientele was seedy at best: sailors, con men, drunks, hustlers, and Hells Angels. These days, when tattoo art is sported by millionaires and the middle class as well as by gang members and punk rockers, the sheer squalor of Bad Boys and Tough Tattoos is a revelation. However much tattoo culture has changed, the advice and information is still sound: how to select a good tattoo artist what to expect during a tattooing session how to ensure the artist uses sterile needles and other safety precautions how to care for a new tattoo why people get tattoos--25 sexual motivations for body art More than a history of the art or a roster of famous--and infamous--tattoo customers and artists, Bad Boys and Tough Tattoos is a raunchy, provocative look at a forgotten subculture.

Alex Sheppard likes certain things: sex, parties, and the occasional fight to let off steam. But his wild ways catch up with him when he is put on football probation due to his lacking grade point average. When Mary Trellis offers to tutor him in exchange for a date to her sister's wedding, Alex sees it as an easy ride. She's smart, hot, and all she wants in return is one weekend of his company. Of course, nothing is as easy as it seems. When Mary propositioned the tattooed and pierced bad boy, Alex, she didn’t realize what she was getting herself into. He has a habit of being vulgar and obscene, but she still wants him. It isn’t until they are alone that Mary realizes refusing Alex what he wants-her-is easier said than done.

"You know the rules Noah". Drew says, clocking the gun in my face while smirking at me. "If you can't pay me before the deadline. I take away the one good thing you love dearly. But in your case, the two good things you love dearly" I've always had my life planned out for me, race, skip classes, race again. My whole life centered around illegal street racing because I loved it and also had a huge debt left to me by my father that I needed to pay. And Drew, my boss, leader of a notorious gang, Snakes and Ladders, was a man of rules. But I also had my own rules. Never fall in love or hold anything dear because in a snap of a finger Drew could take it all away from me. But that was until a hazel eyes brunette helped me treat my wounds from a racing accident. And a green-eyed little girl a female version of me, appeared on my doorstep claiming to be my daughter.

The Bad Boy Is Back Evan Downey needs a new beginning. Since the death of his wife five years ago, the brilliant tattoo artist has shut himself away in a prison of grief that not even his work can break him out of-and what's worse, Evan knows his son Lyon is bearing the brunt of his seclusion. Moving back to the lake town of Evergreen Cove where he spent his childhood summers is his last chance for a fresh start. Charlotte Harris knows she owes it to her best friend's memory to help Evan and his son find their way again, but she can't stop her traitorous heart from skipping a beat every time she looks into Evan's mesmerizing eyes. Charlotte is determined to stay strictly in the Friend Zone-until a mind-blowing night knocks that plan by the wayside. Now, if they're brave enough to let it, Charlotte and Evan might just find a love capable of healing their broken hearts . . .

From the bestselling author of Welcome to Forever (“Full of heart and emotion!”—Lori Wilde) comes a sweet, sexy novel about breaking all the rules. In Seaside, North Carolina, the boys on the base are heroes—but that doesn’t mean they’re always well-behaved. As a preacher’s daughter, Valerie Hunt only dates the very respectable, very boring men who meet her father’s strict standards. In private, however, she leads a double life as a romance writer of steamy stories about the least respectable sorts of men. Valerie has always kept her hottest fantasies separate from her real life, but when she nearly runs a hot-blooded biker off the road, the lines begin to blur. Even though Valerie almost killed him, Griffin Black can’t be angry after he learns the reason for her distracted driving: an unruly puppy belonging to her ailing friend. As a member of the military police K-9 unit, Griffin insists on training the dog himself. But he soon wonders how he’s ever going to stay disciplined around the most alluring, down-to-earth, and totally unattainable woman he’s ever met. Valerie is the ultimate good girl. And Griffin is going to need all his old tricks to unleash her wild side. Praise for Welcoming the Bad Boy “Hot and sweet and adorable and steamy and sexy all at the same time . . . This story captured my heart and left me enamored.”—Books and Spoons Blog “A wonderful series that will have you swoon, laugh, maybe even shed a tear or two at some points, and warm your heart all the way down to your toes (watch out for a bit of heat here and there, too!). . . . The men of Seaside will sweep you off your feet.”—Roberta’s Dream World “Readers (and dog lovers!) who like their romance on the sweet and light side will love this one.”—Girl Plus Books “The read was light, fast, sweet, and hit the spot.”—The Book Junkie “With Welcoming the Bad Boy, you are getting a lot more than a bad boy romance or even a military romance. . . . I love absolutely everything about this book.”—Cara’s Book Boudoir “Enjoy the fun and try not to fall for Griffin . . . it appears he’s already taken.”—Reviews from the Heart Includes an excerpt from another Loveswept title.

A terrifying and riveting tale of the zombie apocalypse! A terrifying vision of the zombie apocalypse from Gallery Books / indie horror sensation Permuted Press!

Not All Scars Heal For Donovan Pate, the lake town of Evergreen Cove is a minefield of tough memories-including the day he had to let go of Sofie Martin. Years later he still can't forget the taste of her lips and the feel of her killer curves. He knows he's too damaged, that he should stay away for her own good. But what the head says and the heart wants are two very different things . . . Seven years ago, Donovan broke Sofie's heart. Now her career depends on playing nice in order to pull off the charity fund-raiser of the decade. She vows to keep things professional . . . yet working by his side every day doesn't make it easy to fight temptation, and it isn't long before she finds herself falling for this bad boy all over again. But loving Donovan means helping him face his past-so they can fight for a future together. "Jessica Lemmon is an author to keep your eye on!" -- Katee Robert, New York Times bestselling author "Everything I love in a romance." -- Lori Foster, 2014

Ten years. Ten endless years I've waited to destroy the man who tore my family apart. But I never thought I 'd get the chance...until his daughter walked into my tattoo parlour, looked me in the eye--and had no damned clue who I was. I never planned on falling for Cassandra Deighton. She's silk scarves and manicures. I'm scars and rage. Yet I can't resist when she begs for more, my ice queen who burns with enough heat to sear the soul. I need to end this. Before she finds out who I am. Before she gets hurt. But I'm not the only one with secrets. We both have our scars, and if the truth comes out, we could lose everything... Other books in the series: Book 1: Beg For You Book 2: Sin For You Book 3: Meant For You Book 4: Bad For You Keywords: alpha hero, alpha bad boy, alpha, protective hero, series romance, contemporary romance, strong heroine, strong female, sexy romance, romance series, enemies-to-lovers, small town romance, tattooed hero, tattoo shop, tattoo parlor, Rocktown Ink series
