User reviews: Fostex 280 - Audiofanzine

Looking at eBay listings, a working Fostex 280, although not super-expensive, is not exactly trash either. Going back the memory lane, I remembered how fun and uncomplicated it was to do a recording without a computer. Replacing the belt As I saw the multitracker was not completely lost, becoming motivated again, I then ordered a replacement belt from eBay and received it in two days. Day ...

With sustainability having gained a lot of momentum over the last years and companies implementing strategies to create corporate sustainability, there are lots of opportunities for innovation. Thus, the two concepts of sustainability and innovation should not be considered separately – they are closely interlinked with one another. The main goal of sustainable innovation is to develop new products and technologies that have a positive impact on the company's triple-bottom-line. To meet this aim, they have to be ecologically and economically beneficial as well as socially balanced. In order to help companies to improve their sustainable innovation process practically, this book is structured into five possible phases of a sustainable innovation process: Awareness of a sustainability problem, Identification & Definition of the problem, Ideation & Evaluation of the solutions, Testing & Enrichment of the solutions, Implementation of the solutions & Green Marketing.
