A lo largo de su vida, Frida Kahlo tuvo infinidad de animales. Dos monos, un loro, tres perros, dos pavos, un águila, un gato, un cervatillo y muchos más. Algunos de esos animales aparecen representados junto a la pintora en varios de sus cuadros y, ahora, gracias a la escritora Monica Brown, son los protagonistas de Frida Kahlo and Her Animalitos, título que acaba de ser elegido el mejor libro ilustrado infantil 2017 por el New York Times.

Every ABC book worth its cover price is bound to have bright colors and big letters. But not every ABC book has magical hand-carved animals to illustrate every letter. And very few alphabet books present those letters in more varieties than

English! Very few alphabet books except the ABeCedarios, that is! In this brightly colored book, the alphabet is presented in both Spanish and English, and includes the four additional letters and whimsical animals that make the Spanish alphabet so much fun. The famous folk artists, brothers Moisés and Armando Jiménez, carved the wonderful animal figures that illustrate each letter in ABeCedarios. Working with their wives and children in the beautiful village of Arrazola in Oaxaca, Mexico, they carved and painted each enchanting animal by hand. For many centuries, people in Oaxaca have carved wood to make toys and household objects. However, it was Moisés and Armando's grandfather Manuel who started making animal figures. Now more than sixty families in Arrazola make their living from wood carving. K. B. Basseches is an artist, photographer, and art educator.

Todos los libros del alfabeto tienen colores brillantes y letras grandes. Pero no cada libro del alfabeto tiene animales mágicos tallados a mano para ilustrar cada letra. ¡Y muy pocos libros del alfabeto presentan esas letras en más idiomas que inglés! Muy pocos ¡excepto por ABeCedarios! En este libro vibrante, el alfabeto es presentado en ambos español e inglés, e incluye las cuatro letras adicionales en el alfabeto de español. Los hermanos Moisés and Armando Jiménez tallaron las figuras de animales

Just about everyone is incommunicado in the small, sleepy Oregon coastal town of Sea Park during winter. Until Pearl Harbor, that is, when it springs to patriotic life. But is Ruby Opal Pearl (a.k.a. Jewels) Stokes the only person to see what's really happening here? Tommy Kasamoto, the one person in her life who has provided security, shelter, and a smidgeon of respect—and who owns the biggest resort on the coast—is now the cause of the town's rage. Tommy's Japanese ancestry makes him the prime target of an angry mob, not to mention he's also rich, has a shady past, and everyone in town owes

him money. As the town's patriotism blossoms into paranoia and turns violent, Jewels has to do something to protect Tommy from internment (or worse), even if that something is going up against the town and the government, not to mention the FBI. Thus begins a fourteen-year-old girl's war within a war. Randall Platt's *Incommunicado* is both timely and timeless. It's about the meaning of courage and the willingness to stand up for what's right, even when it goes against the prevailing attitudes of the time and place. It's also about the insidious way groups and communities can nurture ignorance and prejudice. But most of all, it's an adventure story set in a town full of unforgettable characters, during a time of great intrigue and peril, no matter which enemy or on what front you fight.
