My Hand To Hold
May you always know you have my hand to hold
May the good Lord bless and keep you, fill you with His peace
His face will shine upon you, even as you sleep

Every day you're changing, sometimes I wish it wasn't true
Hearts are made for giving, I've given mine... to you
May you never lose the wonder in your soul
May you always have a blanket for the cold

~~JJ Heller - Hand To Hold Lyrics | AZLyrics.com~~

Hand to Hold helps families before, during, and after NICU stays and infant loss by providing powerful resources for the whole family, and most importantly, one-on-one mentoring from someone who has been there. Hand to Hold is a not-for-profit organization recognized as tax-exempt under Internal Revenue Code section 501(c)(3).

Lyrics to 'Hold My Hand' by Jess Glynne. Standing in a crowded room and I can't see your face
Put your arms around me, tell me everything's OK
In my mind, I'm running round a cold and empty space
Just put your arms around me, tell me everything's OK

This heartwarming picture book reassures children that a parent 's love never lets go—based on the poignant lyrics of JJ Heller 's beloved lullaby "Hand to Hold." "May the living light inside you be the compass as you go / May you always know you have my hand to hold." With delightful illustrations and an engaging rhyme scheme, this book offers the promise of security and love every child 's heart longs to know. From skipping stones and counting stars to climbing trees and telling stories, every moment is wrapped snugly in the certain warmth of a parent 's presence and God 's blessing. With poignancy and joy, this bedtime read captures the unconditional love parents want their children to know but so often fail to express amid the chaos of daily life.

"Portions of text are adapted from the song 'Hand to hold' by JJ Heller, David Heller, and Andy Gullahorn"--Copyright page.

Hold My Hand, Mama is a touching story that walks you through the circle of life from a daughter's first steps to her mother's last. The journey is sure to capture your heart!

' Superb, gritty and realistic ' MEL SHERRATT, million copy bestseller How long do you hunt for the missing?

Michael Barakiva's Hold My Hand is a funny, smart, relatable take on the joy and challenges of teenage love, the boundaries of forgiveness, and what it really means to be honest. Alek Khederian thinks about his life B.E. and A.E.: Before Ethan and After Ethan. Before Ethan, Alek was just an average Armenian-American kid with a mess of curly dark hair, grades not nearly good enough for his parents, and no idea of who he was or what he wanted. After he got together with Ethan, Alek was a new man. Stylish. Confident. (And even if he wasn 't quite marching in LGBTQ parades), Gay and Out and Proud. With their six-month anniversary coming up, Alek and Ethan want to do something special to celebrate. Like, really special. Like, the most special thing two people in love can do with one another. But Alek 's not sure he 's ready for that. And then he learns something about Ethan that may not just change their relationship, but end it. Alek can't bear the thought of finding out who he'd be P.E.: Post-Ethan. But he also can't forgive or forget what Ethan did. Luckily, his best friend Becky and madcap Armenian family are there to help him figure out whether it 's time to just let Ethan go, or reach out and hold his hand.

"Just Hold My Hand" reflects a day with my special needs son and how everyday he has to cope with various situations that trigger emotional behaviors unique to him and kids like him. This story describes how he learns to manage those behaviors one day at the county fair.

Alek Khederian should have guessed something was wrong when his parents took him to a restaurant. Everyone knows that Armenians never eat out. Why bother, when their home cooking is far superior to anything "these Americans" could come up with? Between bouts of interrogating the waitress and criticizing the menu, Alek's parents announce that he'll be attending summer school in order to bring up his grades. Alek is sure this experience will be the perfect hellish end to his hellish freshmen year of high school. He never could've predicted that he'd meet someone like Ethan. Ethan is everything Alek wishes he were: confident, free-spirited, and irreverent. When Ethan gets Alek to cut school and go to a Rufus Wainwright concert in New York City's Central Park, Alek embarks on his first adventure outside the confines of his suburban New Jersey existence. He can't believe a guy this cool wants to be his friend. And before long, it seems like Ethan wants to be more than friends. Alek has never thought about having a boyfriend—he's barely ever had a girlfriend—but maybe it's time to think again. Michael Barakiva's One Man Guy is a romantic, moving, laugh-out-loud-funny story about what happens when one person cracks open your world and helps you see everything—and, most of all, yourself--like you never have before.

...the rest shall follow Deep, an awkward young man obsessed with libraries and books, has his dream come true when he is sent to Hong Kong on an internship programme. Leaving behind jealous but encouraging friends, a supportive father and a hysterical, overprotective mother, Deep makes his first flight to a foreign land. And then he sees her, Ahana, a stunningly beautiful girl. But Deep also has to come to terms with another reality: Ahana is blind. Together they explore Hong Kong, Ahana guiding them with the smells and sounds of the wondrous city and Deep bringing to life for her the delightful sights he sees. They're living a dream, till Aweek, her gorgeous ex-boyfriend, comes back into her life. Hold My Hand is a delightful young romance with a surprise ending.

Many people write about the ghetto. Piri Thomas lived there. In this book, the author of Down These Mean Streets tells what he found when he returned from a seven year prison term. Friends dying on heroin, or getting rich selling it. Jobs he couldn 't get, not because he lacked training or ability, but because the union was open only to whites. And an indomitable aunt who brought him into her church, where he met the woman who became his wife, and where he began to take an interest in helping others. Eventually he got a job working with street children—helping them find highs other than drugs, trying to cool rivalries fueled by frustration, persuading gang leaders to surrender weapons originally intended for bloody street battles. But even with success came bitter disappointments. Pervasive discrimination forced Thomas and his family to give up a suburban home. And an appalling hypocritical and selfish boss forced him out of his job—and almost back into prison. Piri Thomas writes of these experiences with unselfish candor and compassion. He pictures the poverty and squalor as well as the spirit and vitality of the ghetto in a dramatic story that is blunt, painful, absorbing and profoundly moving.

Written in verse with illustrations, describes the attitudes, reactions, and misconceptions of people on children with disabilities.
