PaintShop Pro is a powerful graphics program that is used for a variety of projects, ranging from photo editing, collage, scrapbooking, card making and more. The power of this program comes from a large number of tools, commands, and settings. Each of them is often hiding shortcuts, special effects, and unique ways to be used to make one's workflow faster and smoother. This collection of over 200 tips and tricks have been gathered and shared with PaintShop Pro users over the years and are now organized by categories. This is NOT a how-to book, nor is it meant to replace the user manual. You will not find tutorials on how to adjust the color of your photo, or how to work with vectors, or how to create your own collage but you will find information on how certain settings or shortcuts will help you in your own projects. The tips cover most versions of PaintShop Pro, up to the most recent one, PSP2020.

This book contains 370 tips, tricks and tutorials for the PaintShop Pro program. It can be used with all versions of the software for tools that have remained the same since version 7. New features are also taken into account, such as the geolocation of photos.Beginners will find their happiness there by discovering tips from the author's long practice. More experienced users will be interested in the techniques described in the tutorials. The PSP Cook Book is to be consulted when you

need to perform a manipulation that you do not do regularly and whose steps you must remember. This book is a reminder but also allows you to discover the possibilities of PaintShop Pro when you start with the software. The tutorials often expose several methods to achieve the desired result. The user will be able to use it as a guide to adapt one or the other step and customize the final rendering of his/her images. This manual can be consulted as a reference book thanks to the table of contents and the index. Whenever possible, the tutorials have been grouped by theme: black and white, scripts, printing, layers, vector, text, special effects (Ansel Adams, Orton, Dragan), natural elements (rain, snow, frost, rainbow, sunset), etc. More than 500 photos, drawings and screenshots accompany the text and make it easier to understand. The book website (www.pspcookbook.com) allows the user to download the images to practice.
