The Labyrinth of Star Formation (Astrophysics and Space ...

About this book. This volume contains the proceedings from the conference "The Labyrinth of Star Formation" that was held in Crete, Greece, in June 2012, to honour the contributions to the study of star formation made by Professor Anthony Whitworth of Cardiff University. The book covers many aspects of theoretical and observational star formation: low-mass star formation; young circumstellar discs; computational methods; triggered star

formation; the stellar initial mass function; high-mass ...

The Labyrinth of Star Formation | Dimitris Stamatellos ...

Introduction. This volume contains the proceedings from the conference "The Labyrinth of Star Formation" that was held in Crete, Greece, in June 2012, to honour the contributions to the study of star formation made by Professor Anthony Whitworth of Cardiff University. The book covers many aspects of theoretical and observational star formation: low-mass star formation; young circumstellar discs; computational methods; triggered star formation; the stellar initial mass function; high-mass ...

The Labyrinth of Star Formation | SpringerLink

Thus, instead of being on the top of a mountain admiring the 'star formation view', we are still in a labyrinth looking for answers. This meeting will honour the contributions to star formation of Prof. Anthony Whitworth (Cardiff University, UK), and offer the opportunity to celebrate his 66th birthday.

ESA Science & Technology - The labyrinth of star formation

We present a study of the star formation histories of the Lupus I, III, and IV clouds using the Herschel 70-500 μ m maps obtained by the Herschel Gould Belt Survey Key-Project.
